

## **IT OPPORTUNITIES IN VERMONT STATE GOVERNMENT**

**May 1, 2006**

I would like to inform you of the great opportunities for IT professionals that exist within state government in Vermont. We currently have 19 openings in IT related positions and frequently post new opportunities. All of the current openings are available at <http://www.vermontpersonnel.org/jobapplicant/index.php> , where you can apply online. I would also request that you submit your email address to [cio@state.vt.us](mailto:cio@state.vt.us), so that we can create a listserve to notify you of future IT job openings.

State government offers a great work experience, access to the latest technologies and outstanding growth opportunities. The benefits of working for state often exceed the private sector and we offer networking opportunities with high ranking officials.

As you know Vermont is the best state in the union for quality of life and we offer good paying jobs and a bright future.

We look forward to hearing from you.

Sincerely,

*Thomas Murray*
